PRE-CONTRACTUAL INFORMATION NOTICE – PORTUGAL (FOE)

In accordance with applicable law and in compliance with the duty of information stated by the Insurance Contract Act, the Insurer from whom cover has been requested states:

The insurance contract will be underwritten by Lloyd's Insurance Company S.A. with its registered office at Bastion Tower, Marsveldplein 5, 1050 Brussels, Belgium.

1. The Member State in charge of controlling the Insurer's activities is Belgium and the Authority in charge of controlling the Insurer's activities is the National Bank of Belgium registered at Boulevard de Berlaimont 3, 1000 Brussels, Belgium.
- 2.. The Parties are free to choose the law applicable to the whole or part of the insurance contract, even if it only covers risk situated within Portuguese territory. The applicable law shall be expressly stated in the insurance contract and shall correspond to a serious interest of the Parties or be related to any of the insurance contract element. We propose that the applicable law shall be the Portuguese Law.
3. That the Policyholder/Insured must make sure that all information provided to the Insurer is true and accurate and no facts that might have influenced the Insurer's decision to provide insurance or the terms of that insurance were withheld.
4. That any facts or circumstances known or that may be reasonably known by the Policyholder/Insured shall be disclosed if they may affect the Insurer's decision to accept the insurance or may be reasonably material for the evaluation of the risk, even if those facts or circumstances are not expressly asked or required in the insurance proposal query. In case of false statements or misrepresented facts or circumstances, the Insurer within 3 (three) months, shall:
 - a) Find the insurance contract invalid, if the Policyholder acts with fraud;
 - b) Modify or terminate the contract at its own discretion, if it is only a negligent behaviour (no fraud involved).
5. A summarised description of the risk, cover, sum insured, limits and exclusions, premium and method of payment, indemnity, duration and method of assignment is attached.
6. Consequences for lack of payment of the premium or an installment of the premium:

 - b) The lack of payment of the premium corresponding to subsequent annuities or its first installment prevents the inception of the contract.
 - c) The termination of the insurance contract pursuant lack of payment of premium does not preclude Policyholder from obligation of payment for the period during which the agreement has been in force, including the accrued interest.
7. Any claim should be addressed in writing to the intermediary mentioned in the Policy
8. By signing below the Policyholder expressly acknowledges that:
 - a) He has read, examined and received, in writing and prior to the inception of the insurance, the pre-contractual information detailed above as well as all the necessary clarifications;
